Dear Friends,

It gives me great pleasure to extend warmest regards and congratulations as you celebrate the 10th anniversary of the Philadelphia Chapter of the Council on American-Islamic Relations.

This anniversary is a remarkable reminder of CAIR's dedication and commitment to diversity and equality. Our Nation has benefited throughout its history from the unique perspectives and experiences of many cultures and has long been characterized by people of diverse faiths and backgrounds practicing their beliefs. Great strides have been made in the fight for social and political equality for all Americans but there remains much more to be done. The work of CAIR to advance the well-being of Muslim-Americans and fight against rising discrimination and prejudice in our society stands as a testament to the bravery, work ethic and ideals of everyone involved.

Please accept my congratulations and best wishes for the continued success of the Philadelphia Chapter of the Council on American-Islamic Relations. Thank you for all the work you have done and all that you continue to do.

Sincerely,
