

# 2020 General Election FAQ

## I hear about early-voting and drop-off sites? I applied for a mail-in ballot but I am not sure if I can mail it back on time. Do I have an alternative?

Yes. There will be drop-off locations and satellite election offices in multiple counties which are available at [www.phila.gov/voting/](http://www.phila.gov/voting/). The current list of satellite offices as well as a map of mail-in voting centers are available on the City of Philadelphia website. At these sites you can register, vote, and drop-off mail-ballots you already received. For other counties, please check this great website from PA Department of State, [votespa.com/earlyvoting](http://votespa.com/earlyvoting). Drop-off deadline is November 3rd, 8pm.
